Doggie Ice Cream

Ingredients

32 ounce Vanilla or Plain Yogurt (low fat if you want)
3 ripe bananas
1 cup smooth peanut butter

Preparation

Combine all ingredients in blender or food processor. Mix thoroughly. Pour into plastic ice cube trays (mixture will fill a few trays). You can also pour it into ziplock bags and flatten before freezing and cut into chunks when frozen.

Let freeze at least 2 hours, and then let your doggie enjoy his ice cream. Yay!! Party on Pooches!!
